Then again, what is the relevance of the simple fact that someone called the bakery if you don't go into the content of the conversation? Again, we oppose ib full.

Yes, we oppose. If you want to say that someone called you. That is fine, but you cannot submit what they said.

Are you offering them for the truth of the matter asserted?

Ken,

BISOUS BISOUS intends to file a motion seeking leave to file a supplement to its appendix in support of its TRO and P.I. motion. The proposed supplemental appendix includes three new exhibits that consist of two misdirected voicemails and one misdirected email seeking dinner reservations that BISOUS BISOUS received earlier this week. It also includes a declaration from the co-founder of BISOUS BISOUS describing those exhibits. Pursuant to Local Rule 7.1, please let us know if you plan on opposing the requested relief on behalf of The CLE Group, LLC, and if applicable, Bisou Uptown Manager, LLC.

David
